products with a
singular focus on
incontinence care

2012 PRODUCT CATALOG

TRUST ATTENDS

Attends Healthcare Products is a pioneer in the incontinence industry with a singular focus on adult incontinence care. In 1979, we recognized the need for disposable incontinence products, and we were the first to provide solutions to the market.

Now more than 30 years later, Attends is a recognized, accepted and trusted brand. We have become a mainstay in the industry, and our focus remains unchanged – to design and manufacture leading technologies for a growing population of adults who experience incontinence.

As a manufacturer – not a distributor – our business strategy is to work with distributors, dealers, healthcare professionals and retailers who in turn serve consumers at home and patients in both long-term care and acute care facilities. We strive to be the superior supply chain partner – offering a full line of products backed by outstanding service.

For quality products at a competitive price, you can count on us as your supplier of choice. We'll show you why Attends is the smart choice in incontinence care.

The Smart Choice in Incontinence Care.™

Attends® Protective Underwear provide protection for moderate to heavy incontinence. Worn under your clothing just like regular underwear, these products offer an alternative to briefs for people with active lifestyles.

Our breathable, absorbent designs feature cloth-like stretch panels for comfort. They pull on and off just like regular underwear, but also have tear-away sides for an easy removal option.

All Attends Underwear meet established requirements for state Medicaid programs. They also have size abbreviations printed on the pad for easy identification when not in the bag.

Overnight Protective Underwear

Size	Catalog No.	Case Count	Inner Packaging
Medium (34"- 44",120-175 lbs)	APPNT20	64	4 bags of 16

Now packaged in printed bags!

We offer a full line of briefs to suit all lifestyles and sizing needs – for women, men and youth. Attends® Briefs are perfect for heavy to severe urinary and/or fecal incontinence for both ambulatory and sedentary users. We carefully select the raw materials and engineer our briefs to channel wetness away from the body – helping maintain dry, healthy skin and controlling odor.

Regardless of the style you choose, Attends briefs are always designed for comfort and secure protection. All of our briefs contain super absorbent polymers to lock fluid in the core, as well as a moisture-resistant layer and leg gathers to help prevent leakage. They feature closures to hold them securely in place and a color indicator to signal when the brief needs to be changed. Attends briefs are packaged for easy identification of sizing by color (see page 19 for more info).

Extra Absorbent Breathable Briefs

Attends BARIATRIC BRIEFS

WE KNOW HOW TO FIT EVERY BODY!

Extra-wide
easy-fit tape tabs

Obesity is a growing medical concern of pandemic proportions in the United States. Nearly one-third of the adult American population is obese, and the numbers are growing. This additional weight often causes excessive pressure to be placed on the bladder, resulting in urinary incontinence for obese individuals. Skin health is of particular concern, especially for those who are sedentary for extended periods. To address this growing issue, Attends Healthcare Products offers an industry-leading solution – Attends Bariatric Briefs®.

Our bariatric briefs provide superior leakage protection, skin wellness, dryness and odor control. This product is designed with these important features and benefits:

- **Move-with-you stretchable design** for better fit (up to 90 inches)
- **Air-comfort breathable side panels** for healthier skin
- Soft, cloth-like inner liner is **gentle against the skin**
- Poly outer covering **prevents leakage and provides ease of positioning**
- **Acquisition layer and super absorbent polymer** channel and lock fluids in the core and help prevent odor
- **Extra-wide, easy-fit tape tabs** for stay-in-place security

- **Standard four tape tab design**

Unlike briefs and protective underwear, Attends® Pads are designed without side panels for maximum mobility and easy changing. They come in a variety of shapes and styles to address a wide range of needs.

Our standard use pads range from the bladder control pad, offering an extra measure of security for occasional leaks, to the extended wear shaped pad, offering the greatest protection for severe incontinence. Our special use products include guards that are anatomically designed just for men, booster pads to use in combination with other absorbent products, and stretch mesh pants to hold pads firmly in place. Regardless of your lifestyle and incontinence level, Attends makes a comfortable, absorbent pad that is perfect for your needs.

Shaped Pads

Level	Pad Length	Catalog Number	Case Count	Inner Packaging

- Color coded waistband for **easy sizing**
- Great **option for OB/GYN care** to hold pads in place

For use in hospitals, nursing homes and in the home, Attends® Underpads are made with soft, non-woven top layers for wicking fluid away from the skin. Cellulose fibers make them comfortable and absorbent, and a strong, leak-resistant backsheet holds fluid.

Attends underpads are available in a variety of shapes and sizes – for standard use by absorbency level and for special use by application. All of our underpads help promote healthy skin, while at the same time protecting mattresses and chairs.

Night Preserver® Underpads

- Smaller sizes are ideal for **IV starts, minor surgical procedures, and chair covering**
- Perfect for standard, everyday use

THE ALL-IN-ONE UNDERPAD FOR SKIN AND BED PROTECTION!

Attends SUPERSORB® BREATHABLES®

NEW! Maximum Strength Supersorb with purple backsheet and superior positioning capability

Maintaining healthy skin is a challenge for those who experience incontinence – especially for patients and other individuals who remain in a lying or sitting position for prolonged periods of time. Untreated skin wounds and bedsores can become infected and are often very slow to heal. Prevention is the key, and that's where Attends' Supersorb Breathables underpads perform best. **Supersorb has been proven to dramatically reduce Stage I and II pressure ulcers, resulting in significant cost savings for healthcare providers.***

What's great about Supersorb is its **air-permeability**. Air-permeable layers allow air to flow through, promoting healthy skin and helping prevent rashes and infections. With super absorbent polymers that channel fluids away from the skin, Supersorb keeps the user comfortable and dry. In fact, tests show that it stays **more than four times drier** than the competition's brand! Its extra-strength, moisture-resistant backsheet makes it our most durable underpad – perfect for in-bed patient positioning.

- All-in-one specialty use disposable underpad for both patient and bed protection **reduces need for multiple underpads**
- **1.5 to 2 times more absorbent** than our heavy underpads
- ASB underpad is **nearly three times stronger** than standard underpads, while our new Maximum Strength (ASBM) is **more than six times stronger** than standard underpads
- Air-permeable **for patients with high risk of skin breakdown**
- **Soft, cloth-like topsheet covers entire surface** to promote healthy skin
- **Super absorbent polymer** channels and locks fluids away from skin for maximum performance and helps prevent odor
- Leak-resistant, non-slip backsheet (white for ASB, purple for ASBM)

Embossed pattern improves the channelling of wetness into the core

LIGHT

Pages 13-16

MODERATE

Pages 13-16

HEAVY

Pages 13-15

ULTRA MAX

Page 14

1.5 to 2 times more absorbent than HEAVY!

Use our simple sizing tables to select the right size based on hip measurement, height, weight, and equivalent clothing sizes for men and women. Sizing is not a perfect science, therefore the sizes given in the tables are guidelines only.

SIZE	HIPS	HEIGHT	WEIGHT	WOMEN'S SIZE	MEN'S SIZE
BRIEFS					
Small	20" - 32"	4'10" - 5'2"	85 - 100 lbs	4 - 6	20" - 32"
Medium	32" - 44"	5'3" - 6'2"	105 - 150 lbs	8 - 14	32" - 44"
Regular	44" - 56"	4'10" - 5'6"	125 - 220 lbs	12 - 18 petite	44" - 56" short
Large	44" - 58"	5'7" - 6'2"	155 - 235 lbs	16 - 20	44" - 58"
X-Large	58" - 63"	4'10" - 6'2"	215 - 250 lbs	22 - 24	58" - 63"
XX-Large	63" - 70"	4'10" - 6'2"	250 - 300 lbs	26 - 28	63" - 70"
XXX-Large (Bariatric)	70" - 90"	4'10" - 6'2"	300+ lbs	28+	70" - 90"

- Color band represents actual product color for briefs.
- Two brief tiers are NOT color-coded by size: ALL BRNTs are peach and ALL BRWs are white.
- Measure around the hips or waist, whichever is largest.
- Regular sized briefs utilize the width of a large brief and the length of a medium brief, providing better fit for users that are less than 5'6" tall but have hips or waist measurements of 44" to 56". Regular size briefs are not reimbursed by Medicaid.

PROTECTIVE UNDERWEAR					
Youth/Small	20" - 34"	N/A	80 - 120 lbs	4 - 10	20" - 34"
Medium	34" - 44"	N/A	120 - 175 lbs	8 - 14	34" - 44"
Large	44" - 58"	N/A	170 - 210 lbs	16 - 20	44" - 58"
X-Large	58" - 68"	N/A	210 - 250 lbs	20 - 28	58" - 68"
XX-Large	68" - 80"	N/A	250+ lbs	28+	68" - 80"

- Protective underwear products are not color coded by size (all are white in color).
- Measure around the hips or waist, whichever is largest.
- Height is not a factor in sizing protective underwear.
